# Amplifon 360

**Your personalised  
pathway to identifying  
the technology best  
suited to you**

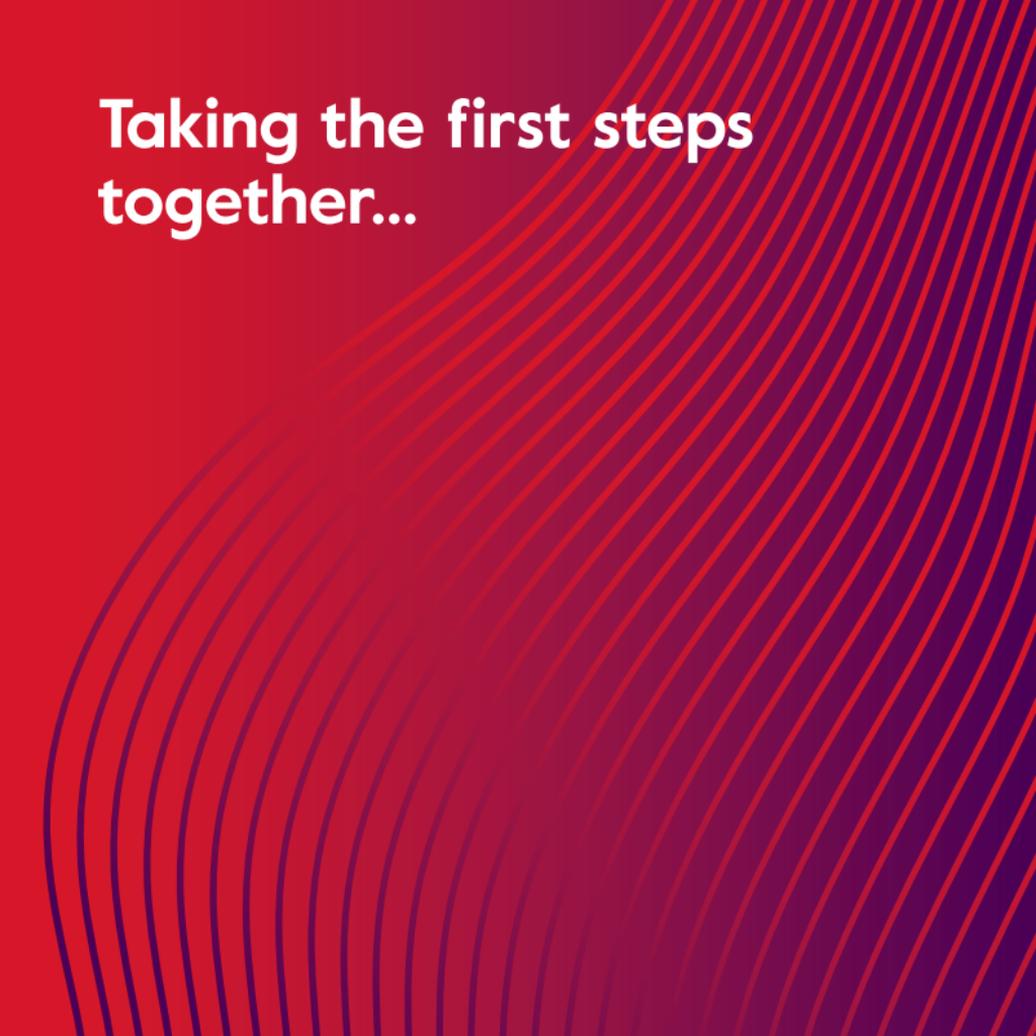

# Our qualified and experienced audiologists

- › Will review your hearing requirements and your lifestyle.
- › Will assess the quality of your hearing in a variety of different situations and environments.
- › Assess your own perception of your hearing aids.

Only Amplifon provides an exclusive Amplifon 360 service. You will also receive an in-depth analysis of your test results with a summary of your personal situation.

**Taking the first steps  
together...**

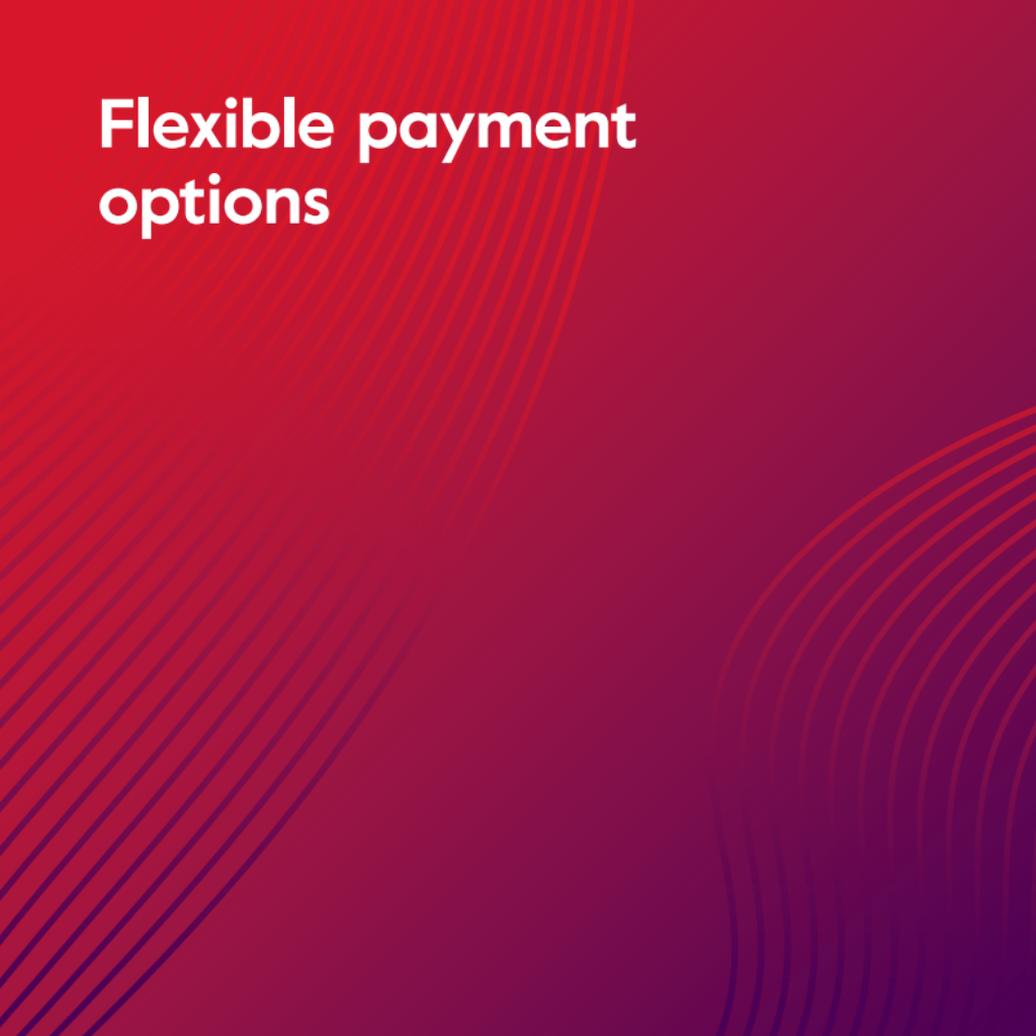

# Starting on the right foot

- Use your practical, protective case to keep your hearing aids safe and to protect them when you are not wearing them.
- Use your complimentary set of cleaning products to help take care of your hearing aids.

# Flexible payment options

The background features a gradient from red on the left to purple on the right. Overlaid on this are several sets of thin, parallel, wavy lines that create a sense of motion and depth. The lines are more densely packed in some areas and more spread out in others, contributing to a modern, abstract aesthetic.

# The choice is yours...

- ▶ Purchase the latest technology in easy monthly instalments over a period of up to 48 months or even interest-free.
- ▶ You can find the best options for you with the help of your Audiologist.

**A gift for you when you  
make a purchase**

# With our compliments...

- › Up to 4 years of free batteries or a battery charging unit if your hearing aids are rechargeable.
- › Free lifetime aftercare.
- › A free starter set of cleaning products.

**A unique service**

# A full warranty and money-back guarantee

- It can take some time to find the right hearing aid for you. If you feel that are not experiencing the full benefits that you paid for within 60 days, bring it back to us and we will provide you with a full refund.

- To give you some peace of mind, our hearing aids come with a two to four year manufacturers' warranty on all selective ranges. We can guarantee peace of mind should your hearing aid require manufacturers' repair at any point within the warranty period.

**Your Audiologist is  
always here to help you**

The background of the image features a smooth gradient from a vibrant red at the top to a deep purple at the bottom. Overlaid on this gradient are numerous thin, white, wavy lines that curve across the frame, creating a sense of motion and depth, reminiscent of sound waves or a topographical map.

# Lifetime aftercare support

- ▶ 'On demand' appointments to suit you at any of our 200 dedicated hearing centres throughout the UK and Ireland.
- ▶ Free annual aftercare appointment including;
  - A check of your hearing
  - Physical assessment of the performance of your hearing aids.
  - Clean and service of your hearing aids.
  - Digital fine tuning of your aids if needed.
  - Expert advice from our highly qualified Audiologists.

**Service at your
